Emotion Coaching Train the Trainer

- We trained 19 Schools leaders and LA practitioners
- They attended 2 days training and then some online
- The Senior leaders and LA practitioners are now matched as training partners
- Whole School Training is now rolling out
- From that we build a training team that will continue to deliver Emotion Coaching to all schools, colleagues etc

7

Next Steps

- Develop our Emotion Coaching training team
- Starting a specific Emotion Coaching training with Early Years
- Rolling further whole school training out in 2024-25
